Dec 8, 2006

Dear Friends,

Many thanks for the generous donation of tabs, cans and/or scrap aluminum to the KAABA Shriners Tab project, which helps in the support of Shriner's Hospitals for Children.

So far this year, 18,672 pounds have been recycled amounting to \$12,290.22. Since the project was started in 1990, 278,300 pounds have been recycled amounting to \$134,063.08 for the **Shriner's Hospitals for Children.**

If you know any child up to 18 years of age, regardless of race, color, or creed, who needs Orthopedic Care, please contact any Shriner or call the KAABA Shriners office at 1-800-670-5222 or use the Shriner's Hospital Hot Line at 1-800-237-5055. We would like to help.

**Thanks again – and please keep saving those tabs and/or cans!!**

Sincerely,

*Jack Stamm*

Jack Stamm, Chairman  
KAABA Tab Program
